Attachments: Proposal for Strategic Improvements in Community Engagement at Montana Superfund Sites

Hi Doug,

Thank you for coming to Montana again to visit Superfund communities in Anaconda and Butte and for taking time to meet with the office staff. Your consistent presence and attention to Montana is much appreciated in our office and with our communities. I have a good vantage point to see that in my position.

Personal Matters / Ex. 6

Thank you for your consideration Doug. Safe travels next week. Dress warm, we still have snow on the ground in Montana.

Subject: RA visit Monday, April 9

I sent an invite to the office for an all hands meeting with Doug. I included the information below, but just in case you don't see it.

Doug will be in the office on Monday, April 9th. There will be an all hands meeting at 10:30 am

Doug would like to know what subjects or questions you would like him to address. Please email me with any questions or topics you would like to discuss. I want to forward any information you have to his staff assistant by COB on Wednesday, April 4th, in preparation for his trip to Montana.

Thank you..
